THEY SAY (LOT)HES
MAKETH THE MAN...
WELL WE SAY VENUES
MAKETH THE EVENT.

BRISBANE'S MOST
EVENTFUL SPACES

A vibrant, festive scene of people at a party. In the center, a man in a tuxedo and a woman in a white dress are smiling and clapping. To their right, another woman in a floral dress is also smiling and clapping. The background is filled with other guests, some with their hands raised in the air. The air is filled with colorful confetti (purple, green, and gold) that is falling around everyone. The lighting is warm and celebratory, with some hanging light bulbs visible in the background. The overall atmosphere is one of joy and celebration.

EVENTS WITH ATTITUDE

All events are not created equal.

Whether it's for work or pleasure, the most memorable of occasions typically take place in the most memorable of locations. Yes, admittedly we're somewhat biased but the way we see things few locations can rival Ovolo Inchcolm. If you're seeking an inspired central setting oozing with creativity and character to transform an okay event into something mind-blowingly amazing, well, you've found it. Say goodbye to non-events. Say hello to Ovolo!

WELCOME TO OVOLo IN(H)COLM

Heritage Reimagined

The new-look Ovolo Inchcolm finds an ideal balance between architectural heritage and distinct design features. Drawing inspiration from the building's rich 1920s history, Brisbane's Ovolo Inchcolm effortlessly blends vintage character with a concept known as 'the Cabinet of Curiosity' – an eccentric design scheme curated by stylist Anna Roberts, where themed interiors in the 50 boutique rooms sit comfortably alongside odd books, artefacts and objects.

(HARLESTON ROOM

Ovolo Inchcolm features a state-of-the-art conference and meeting offering which shares the theming of the hotel. The Charleston Room is a multi-use space which can be divided into three smaller spaces to suit a range of requirements. The pillarless room with tall heritage style windows filtering the daytime natural light or accessing the evenings city lights, can accommodate up to 140 guests theatre style and is available in a range of configurations.

THE FOXTROT ROOM

The Foxtrot Room is an intimate room designed for smaller gatherings and comfortably seats 12 people. The room is ideal for executive board meetings as well as private dining in conjunction with Salon De Co.

The image shows the interior of the Salon de co restaurant and bar. The background wall is covered in a vibrant, abstract mural with floral and geometric patterns in shades of pink, red, blue, and green. In the center, there are four arched glass display cases with diamond-patterned glass doors. The first case on the left contains wine bottles. The other three cases are filled with various bottles of spirits and liqueurs. Below the arches, a curved bar counter is visible. Underneath the bar counter, there are more glass display cases containing various decorative items, including a plate with a portrait, a ceramic jar, a small clock, and other vintage-style objects. The lighting is warm and focused on the display cases.

SALON DE CO RESTAURANT & BAR

*salon
de co.*

Salon de co. is Ovolo's Inchcolm's signature restaurant and bar. Playing on the idea of mixing a home with an artistic hospitality venue, Salon de co was inspired by the Art Deco style, the Années folles, and the idea of revolutionising the world with creative flair.
